

On June 16th, 2018 we will be celebrating the **30+ year** relationship between Lions and STARS. It began with the Lions Air Ambulance in 1985 when we helped get the first STARS helicopter (white not red color).

Together with STARS, we invite you to enjoy an evening with some of the founders of STARS, including Dr. Gregory Powell.

You will be treated to an evening with great food and an entertaining program, along with a silent auction.

As you may know our long time Lion member, John Panton, was one of the original founders of STARS. The Calgary North Hill Lions have created the John Panton Award which funds a student attending the STARS Critical Care and Transportation Medicine Academy. This award is given annually and recipients are chosen by fellow students as the most deserving peer.

Our goal is to support this training with the proceeds from the Gala.

We will be holding this on June 16th, 2018 at the *Deerfoot Inn & Casino*, with Cocktails at 6:00, dinner at 7:00.

Tickets are \$125.00, with Tables of 8.

We accept cash, cheque or credit card, for credit card options, email cnhlionsclub@gmail.com
